

EMILY C. DESOUSA (SHE/HER)

COLLABORATIVE PIANIST, VOCAL COACH, EDUCATOR

I am an experienced pianist, vocalist, music director and educator of over two-decades. Because of my extensive training as a vocalist and multi-instrumentalist, I have a unique understanding of how best to collaborate from the piano when working with various kinds of musicians; making my musical encounters smoother and more efficient. Throughout all of my musical endeavors, I strive to make others feel comfortable, confident, and supported in their music-making journey!
